

TOP PATENT FIRMS

The list this year is comprised of 300 law firms/individuals. Thank you to all who participated. Firms are ranked according to the number of utility patents issued in 2005 where the firm or individual is listed as the legal representative on the face of the patent.

- Averages and percentages have been rounded to the nearest tenth.
- There will be no additions to the list once it has been published.
- Survey forms were available for printing on our website.
